MEMORANDUM FOR: Deputy Director for Administration

FROM:

Director of Security

SUBJECT: Office of Security Significant Activities  
Week of 2 October 1980 (U)

REFERENCE: DDA Administrative Instruction No. 74-5

1. This memorandum is for information only. (U)
2. The activities of the Office of Security during the week of 2 - 8 October 1980 were highlighted by the following items:
  - a. During the reporting period, the Information Systems Security Group sponsored a briefing for State Department Security representative, Fred McNulty, by DC/IMS/DDO on the CRAFT System. The purpose was to acquaint the State Department representative with the CRAFT Concept and Security Specifications and Requirements. The State Department has a similar system under development. (AIUO)
  - b. On 2 October, a member of the Technical Security Division presented a worldwide Hostile Audio Threat briefing to 76 persons attending the Operations Security Conference, Department of Energy, in Germantown, Maryland. (C)
  - c. Activities of the Safety Group during the reporting period included a fire drill in the Ames Building in support of National Fire Prevention Week. Further, collateral Duty Safety Officers assigned to 67 components in the Headquarters area were contacted to insure appropriate coverage for all Agency elements. These Safety Officers were also provided with a copy of the FY 1981 schedule of the Basic Safety and Health Course. (U)
